

**Public Comment Calendar for
Executive Order 2017-02 Regulation Review Arizona Medical Board Rules**

Governor Ducey recently issued an Executive Order wherein he directed state agencies to conduct a review of regulatory framework.

The goal is to determine any regulatory constructs that are overly burdensome, antiquated, contradictory or redundant to business. Agencies are asked to review and submit findings by September 1, 2017.

The Arizona Medical Board (“AMB”) invites you to submit comment at one of the following events:
