**BEFORE THE ARIZONA MEDICAL BOARD**

In the Matter of

**YARON J. LIDOR, M.D.**

Holder of License No. 34838  
For the Practice of Allopathic Medicine  
In the State of Arizona.

Case No. MD-10-0945A

**INTERIM ORDER FOR PRACTICE  
RESTRICTION AND CONSENT TO THE  
SAME**

**INTERIM CONSENT AGREEMENT**

Yaron J. Lidor, M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Interim Order for Practice Restriction; admits the jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Order by the Board.

**FINDINGS OF FACT**

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 34838 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-10-0945A after receiving notification that on July 8, 2010 the Oregon Medical Board (OMB) issued Respondent an Order of Emergency Suspension after notifying the Oregon Board on his license renewal that his clinical privileges were suspended and subsequently revoked at the Yakima Valley Farm Workers Clinic in Grandview Washington. This action was taken after it was determined that respondent failed to maintain appropriate professional boundaries with regard to patient A, a 22 year-old female patient.

4. The OMB also received a report that while working as a locum tenens physician at Mid-Valley OBGYN clinic in Lebanon Oregon, that licensee violated the

1 clinic's policy or repeated occasions by conducting breast and pelvic examinations  
2 without a chaperone.

3 5. On August 18, 2010, the Colorado Board entered in to an interim cessation  
4 of practice agreement in lieu of a summary suspension. In addition, the  
5 Colorado Board required Respondent to undergo a psychosexual evaluation.

6 6. The Executive Director has consulted with investigative staff and the  
7 Board's medical consultant, who has reviewed the case and agrees that a consent  
8 agreement is appropriate.

9  
10 **CONCLUSIONS OF LAW**

11 1. The Board possesses jurisdiction over the subject matter hereof and over  
12 Respondent.

13 2. The Executive Director may enter into a consent agreement with a physician  
14 to restrict a doctor's practice if there is evidence of danger to the public health and safety.  
15 A.R.S. § 32-1405(C)(25) and § 32-1451(F); A.A.C. R4-16-504.

16 3. Based on the information in the Board's possession there is evidence that if  
17 Respondent were to practice medicine in Arizona there would be a danger to the public  
18 health and safety.

19 **ORDER**

20 IT IS HEREBY ORDERED THAT:

21 1. Respondent shall not practice clinical medicine or any medicine involving  
22 direct patient care, and is prohibited from prescribing any form of treatment including  
23 prescription medications, until Respondent applies to the Board and receives permission  
24 to do so.

25 2. This is an interim order and not a final decision by the Board regarding the

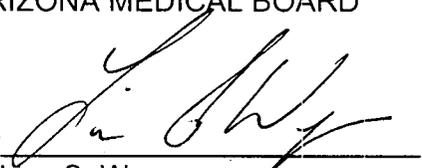

1 pending investigative file and as such is subject to further consideration by the Board.

For purposes of this Interim Order, Respondent is not admitting to a violation of the Medical Practices Act but acknowledges that Board Staff has sufficient grounds for the Interim Order for Practice Restriction. Respondent acknowledges he has the right to consult with legal counsel regarding this matter.

2. Respondent acknowledges and agrees that this Interim Order is entered into freely and voluntarily and that no promise was made or coercion used to induce such entry.

3. By consenting to this Interim Order, Respondent voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Interim Order in its entirety as issued, and waives any other cause of action

1 related thereto or arising from said Interim Order. The foregoing pertains only to this  
2 Interim Order and does not apply to any final action of the Board.

3 4. The Interim Order is not effective until approved and signed by the  
4 Executive Director.

5 5. All admissions made by Respondent are solely for final disposition of this  
6 matter and any subsequent related administrative proceedings or civil litigation involving  
7 the Board and Respondent. Therefore, said admissions by Respondent are not intended  
8 or made for any other use, such as in the context of another state or federal government  
9 regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or  
10 any other state or federal court.

11 6. Upon signing this Interim Order, and returning this document (or a copy  
12 thereof) to the Board's Executive Director, Respondent may not revoke the consent to the  
13 entry of the Interim Order. Respondent may not make any modifications to the document.  
14 Any modifications to this original document are ineffective and void unless mutually  
15 approved by the parties.

16 7. This Interim Order is a public record that will be publicly disseminated as a  
17 formal action of the Board and will be reported to the National Practitioner's Data Bank  
18 and on the Board's web site.

19 8. If any part of the Interim Order is later declared void or otherwise  
20 unenforceable, the remainder of the Interim Order in its entirety shall remain in force and  
21 effect.

22 9. Any violation of this Interim Order constitutes unprofessional conduct and  
23 may result in disciplinary action. A.R.S. § § 32-1401(27)(r) ("[v]iolating a formal order,  
24 probation, consent agreement or stipulation issued or entered into by the board or its  
25 executive director under this chapter") and 32-1451.
