BEFORE THE ARIZONA MEDICAL BOARD

IN THE MATTER OF
Paul A. Guzman, M.D.
Holder of License No. 33313
For the Practice of Medicine
In the State of Arizona

CASE NO: MD-14-0071A

ORDER FOR SURRENDER OF
LICENSE AND CONSENT TO THE
SAME

Paul A. Guzman, M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Order for Surrender of License; admits the jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Order by the Board.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.
2. Respondent is the holder of license number 33313 for the practice of allopathic medicine in the State of Arizona.
3. The Board initiated case number MD-14-0071A after receiving correspondence from the Physician Health Program (PHP) Monitor indicating that correspondence from the Physician Health Program (PHP) Monitor indicating that Respondent had not entered into a contract with the Florida Professional Recovery Network (PRN) program as required by his August 8, 2013, Stipulated Rehabilitation Agreement (SRA).
4. On March 3, 2013, Respondent self-reported a DUI charge. As a result, he was referred to PHP for assessment. On March 28, 2013, the PHP Monitor evaluated Respondent and noted the circumstances surrounding the DUI charge, and recommended a chemical dependency evaluation. Respondent reported to Sante Center for Healing in Texas on May 13, 2013 for a five (5) day evaluation. Inpatient treatment was recommended. Respondent reported to Promises Treatment Center in California on June 4, 2013. Respondent successfully completed treatment

1 on July 12, 2013, and entered into a SRA with the Board on August 8, 2013 for PHP participation
2 and monitoring.

3 5. Around this time Respondent relocated to Florida and was instructed to enroll in
4 the Florida PRN program for primary monitoring. While attempting to enroll in the Florida PRN
5 program, Respondent encountered some difficulty with the enrollment process as he did not have
6 a Florida medical license so there was a delay in negotiating the terms with Florida PRN to allow
7 them to monitor Respondent. During this time, Respondent had some medical issues that further
8 delayed his ability to enroll in Florida PRN.

9 6. Respondent was offered a Florida PRN contract on or around December 2013.
10 Respondent was given a deadline of December 24, 2013 to submit his signed monitoring contract
11 with Florida PRN. Respondent did not sign the contract.

12 7. On February 14, 2014, and again on April 3, 2014, Respondent requested
13 reconsideration of the Board requirement to enroll in Florida PRN.

14 8. On April 23, 2014, Respondent's medical license expired as a result of his failure
15 to renew. As Respondent is currently the subject of a pending Board investigation, his license was
16 placed on suspension pursuant to A.R.S. § 32-1430.

17 9. Respondent asserts that he voluntarily enrolled in a substance abuse treatment
18 program in Florida in September 2014.

19 10. Respondent admits to the acts described above and that they constitute
20 unprofessional conduct pursuant to A.R.S. § 32-1401(27)(r) ("[v]iolating a formal order,
21 probation, consent agreement or stipulation issued or entered into by the board or its executive
22 director under the provisions of this chapter.").

23 11. Respondent agrees to surrender his medical license because he cannot afford the
24 financial costs associated with the Florida PRN program. Respondent does not intend to return
25 to Arizona.
