6 In the State of Arizona.

Case No. MD-08-0292A

**CONSENT AGREEMENT FOR  
DECREE OF CENSURE**

7 **CONSENT AGREEMENT**

8 By mutual agreement and understanding, between the Arizona Medical Board  
9 ("Board") and Benjamin H. Venger, M.D. ("Respondent"), the parties agree to the following  
10 disposition of this matter.

11 1. Respondent has read and understands this Consent Agreement and the  
12 stipulated Findings of Fact, Conclusions of Law and Order ("Consent Agreement").  
13 Respondent acknowledges that he has the right to consult with legal counsel regarding  
14 this matter and has done so or chooses not to do so.

15 2. By entering into this Consent Agreement, Respondent voluntarily  
16 relinquishes any rights to a hearing or judicial review in state or federal court on the  
17 matters alleged, or to challenge this Consent Agreement in its entirety as issued by the  
18 Board, and waives any other cause of action related thereto or arising from said Consent  
19 Agreement.

20 3. This Consent Agreement is not effective until approved by the Board and  
21 signed by its Executive Director.

22 4. The Board may adopt this Consent Agreement or any part thereof. This  
23 Consent Agreement, or any part thereof, may be considered in any future disciplinary  
24 action against Respondent.

25

1           5. This Consent Agreement does not constitute a dismissal or resolution of other  
2 matters currently pending before the Board, if any, and does not constitute any waiver,  
3 express or implied, of the Board's statutory authority or jurisdiction regarding any other  
4 pending or future investigation, action or proceeding. The acceptance of this Consent  
5 Agreement does not preclude any other agency, subdivision or officer of this State from  
6 instituting other civil or criminal proceedings with respect to the conduct that is the subject  
7 of this Consent Agreement.

8           6. All admissions made by Respondent are solely for final disposition of this  
9 matter and any subsequent related administrative proceedings or civil litigation involving  
10 the Board and Respondent. Therefore, said admissions by Respondent are not intended  
11 or made for any other use, such as in the context of another state or federal government  
12 regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or  
13 any other state or federal court.

14           7. Upon signing this agreement, and returning this document (or a copy thereof) to  
15 the Board's Executive Director, Respondent may not revoke the acceptance of the  
16 Consent Agreement. Respondent may not make any modifications to the document. Any  
17 modifications to this original document are ineffective and void unless mutually approved  
18 by the parties.

19           8. If the Board does not adopt this Consent Agreement, Respondent will not  
20 assert as a defense that the Board's consideration of this Consent Agreement constitutes  
21 bias, prejudice, prejudgment or other similar defense.

22           9. This Consent Agreement, once approved and signed, is a public record that will  
23 be publicly disseminated as a formal action of the Board and will be reported to the  
24 National Practitioner Data Bank and to the Arizona Medical Board's website.

25

1           10. If any part of the Consent Agreement is later declared void or otherwise  
2 unenforceable, the remainder of the Consent Agreement in its entirety shall remain in  
3 force and effect.

4           11. Any violation of this Consent Agreement constitutes unprofessional conduct  
5 and may result in disciplinary action. A.R.S. § § 32-1401(27)(r) ("[v]iolating a formal order,  
6 probation, consent agreement or stipulation issued or entered into by the board or its  
7 executive director under this chapter") and 32-1451.

9 Benjamin H. Venger  
10 BENJAMIN H. VENGER, M.D.

1 **FINDINGS OF FACT**

2 1. The Board is the duly constituted authority for the regulation and control of  
3 the practice of allopathic medicine in the State of Arizona.

4 2. Respondent is the holder of license number 20605 for the practice of  
5 allopathic medicine in the State of Arizona.

6 3. The Board initiated case number MD-08-0292A after receiving notification  
7 that Respondent had agreed to testify for the federal government in a criminal trial in  
8 exchange for immunity. Respondent states that he voluntarily approached the  
9 government and gave them detailed interviews, complete access to his patient files and  
10 business records, and that his tax records were audited. In addition, the federal  
11 government has been investigating numerous individuals, including attorneys, physicians,  
12 and hospital administrators. Respondent has not been charged nor was he the target of  
13 the investigation.

14 4. On March 3, 2008, Respondent testified that in one personal injury case, he  
15 agreed to provide favorable and false testimony as an expert witness for defendant. The  
16 false testimony was provided on two separate occasions: at the deposition and the trial of  
17 the personal injury action. Further, he testified that he was told that if he referred personal  
18 injury patients for legal advice to a person affiliated with defendant, he would be protected  
19 from malpractice claims and receive referral payments. Additionally, he testified that he  
20 received payments for the referral of a single patient and that he generated fraudulent  
21 invoices for non-medical services to justify the payments he received for that referral.

22 **CONCLUSIONS OF LAW**

23 1. The Board possesses jurisdiction over the subject matter hereof and over  
24 Respondent.

25 2. The conduct and circumstances described above Board constitute

1 unprofessional conduct pursuant to A.R.S. §32-1401(27)(t) ("[k]nowingly making any false  
2 or fraudulent statement, written or oral, in connection with the practice of medicine or if  
3 applying for privileges or renewing an application for privileges at a health care  
4 institution."); A.R.S. §32-1401(27)(u) ("[c]harging a fee for services not rendered or  
5 dividing a professional fee for patient referrals among health care providers or health care  
6 institutions or between these providers and institutions or a contractual arrangement that  
7 has the same effect. . .") and A.R.S. §32-1401(27)(v) ("[o]btaining a fee by fraud, deceit or  
8 misrepresentation.").

9 **ORDER**

10 IT IS HEREBY ORDERED THAT:

- 11 1. Respondent is issued a Decree of Censure.  
12 2. Respondent shall pay a civil penalty in the amount of \$5000.00. Respondent  
13 shall pay the civil penalty within 60 days.

Benjamin Venger, M.D.  
c/o Kathleen Janssen, Esq.  
3883 Howard Hughes Parkway, Suite 1100  
Las Vegas, NV 89169

Dr. Venger:

On May 14, 2009, the Nevada State Board of Medical Examiners (Board) accepted the Settlement Agreement proposed between you and the Board's Investigative Committee in relation to the formal complaint filed against you regarding case number 08-9819-1.

In accordance with their acceptance, the Board has entered an **ORDER** as follows: that your acceptance of payment from an intermediary in 2003 which exceeded the non-surgical work product performed and your untruthful testimony in a civil matter in that same year was a violation of NRS 630.301(9), or engaging in conduct that brings the medical profession into disrepute. As a result, your license to practice medicine in the state of Nevada shall be suspended, with the suspension stayed and you are placed on probation for 36 months and must comply with the following terms and conditions: 1) you shall be issued a formal written public letter of reprimand, 2) you shall be fined in the amount of \$5,000.00, 3) you shall continue to engage in individual outpatient therapy on an as-needed basis to be determined by your therapist throughout your probationary period, 4) in accordance with the Community Service Proposal incorporated into the accepted Settlement Agreement, you shall complete 805 hours of clinical and administrative community service, 5) you shall continue to assist the United States Attorney's Office in its investigation and prosecution to the extent which you have agreed, and 6) you agree to pay the aforementioned fine and the costs of investigation and prosecution of this matter, currently in the amount of \$12,375.92, plus any additional costs that may be accrued subsequent in the disposition of this matter, to the Nevada State Board of Medical Examiners within 60 days of the Settlement Agreement.

Accordingly, it is my unpleasant duty as President of the Board to formally and publicly reprimand you for your conduct which has brought professional disrespect upon you and which also reflects unfavorably upon the medical profession as a whole.

A handwritten signature in black ink, appearing to read "CHHELD", is written over a horizontal line.

24 provided to Respondent within thirty (30) days of approval of the matter.

15 conducted ex parte, without notice or opportunity to be heard on his part or on the part of his counsel  
16 until the public Board meeting where this Agreement is discussed, and that such contacts and  
17 communications may include, but not be limited to, matters concerning this Agreement, the Complaint,  
18 and any and all information of every nature whatsoever related to the Complaint or the proceedings

20 the Board meeting where this Agreement is discussed, and if requested, to respond to any questions that  
21 may be addressed to the IC or its counsel.

6 charges against Respondent and participating in the disciplinary proceedings in any role, including  
7 adjudication of the case, and Respondent further agrees that he shall not seek to disqualify any such
