**CONCLUSIONS OF LAW**

1. The Board possesses jurisdiction over the subject matter hereof and over Physician.

2. The Executive Director has authority to enter into this consent agreement to limit the physician's practice based upon evidence that he is unable to safely engage in the practice of medicine pursuant to A.R.S. § 32-1405(C)(25) and § 32-1451(F)A.A.C. R4-16-509.

**ORDER**

IT IS HEREBY ORDERED THAT:

1. Physician's practice is limited in that he shall not practice medicine in the State of Arizona and is prohibited from prescribing any form of treatment including prescription medications until Physician applies to the Board and receives permission to do so. The Board may require any combination of staff approved assessments, evaluations, treatments, examinations or interviews it finds necessary to assist in determining whether Physician is able to safely resume such practice.

2. Physician may be assessed the costs of the contractor's fees for monitoring.

3. The Board retains jurisdiction and may initiate a separate disciplinary action based on the facts and circumstances that form the basis for this practice limitation or any violation of this Consent Agreement.
