In the Matter of

**VICTORIA L. YORKE, M.D.**

Holder of License No. 18532  
For the Practice of Allopathic Medicine  
In the State of Arizona.

Case No. MD-08-0234

**CONSENT AGREEMENT  
FOR PRACTICE LIMITATION**

**NON-DISCIPLINARY**

**CONSENT AGREEMENT**

By mutual agreement and understanding, between the Arizona Medical Board ("Board") and Victoria L. Yorke, M.D. ("Physician") the parties agree to the following disposition of this matter.

1. Physician has read and understands this Consent Agreement and the stipulated Findings of Fact, Conclusions of Law and Order ("Consent Agreement"). Physician acknowledges that he understands he has the right to consult with legal counsel regarding this matter.

2. By entering into this Consent Agreement, Physician voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Consent Agreement in its entirety as issued by the Board, and waives any other cause of action related thereto or arising from said Consent Agreement.

3. This Consent Agreement will not become effective until signed by the Executive Director.

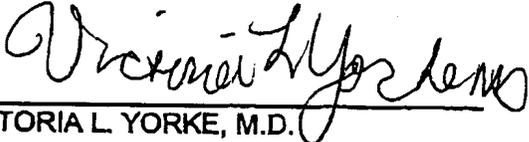

4. All admissions made by Physician are solely for disposition of this matter and any subsequent related administrative proceedings or civil litigation involving the Board and Physician. Therefore, said admissions by Physician are not intended or made for any other use, such as in the context of another state or federal government regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or any other state or federal court.

5. Upon signing this Consent Agreement and returning it (or a copy thereof) to the Board, Physician may not revoke acceptance of the Consent Agreement. Physician may not make

1 any modifications to the Consent Agreement. Any modifications to this Consent Agreement are  
2 ineffective and void unless mutually approved by the parties.

3 6. This Consent Agreement, once approved and signed, is a public record that may be  
4 publicly disseminated as a formal **non-disciplinary action** of the Board and will be reported to the  
5 National Practitioner's Data Bank and posted on the Arizona Medical Board web site as a voluntary  
6 **non-disciplinary action**.

7 7. If any part of the Consent Agreement is later declared void or otherwise  
8 unenforceable, the remainder of the Consent Agreement in its entirety shall remain in force and  
9 effect.

**FINDINGS OF FACT**

1  
2 1. The Board is the duly constituted authority for the regulation and control of the  
3 practice of allopathic medicine in the State of Arizona.

4 2. Physician is the holder of License No. 18532 for the practice of allopathic medicine  
5 in the State of Arizona. Physician asserts that since 1994 she has practiced exclusively in the  
6 State of Wisconsin.

7 3. Physician has recognized that she has a medical condition that may limit her ability  
8 to safely engage in the practice of medicine.

9 4. Because Physician has recognized that her medical condition may limit her ability to  
10 safely engage in the practice of medicine, the Board may enter into a Consent Agreement to limit  
11 Physician's practice. A.R.S. § 32-1451(F); A.A.C. R4-16-509. Physician and the Board entered into  
12 this Consent Agreement to resolve this matter with a final Board action.

13 5. There has been no finding of unprofessional conduct against Physician.

**CONCLUSIONS OF LAW**

14  
15 1. The Board possesses jurisdiction over the subject matter hereof and over  
16 Physician.

17 2. The Executive Director may enter into an Consent Agreement with a physician to  
18 limit or restrict the physician's practice or to rehabilitate the physician, protect the public and  
19 ensure the physician's ability to safely engage in the practice of medicine in Arizona. A.R.S. § 32-  
20 1451(F); A.A.C. R4-16-509.4

**ORDER**

21  
22 IT IS HEREBY ORDERED THAT:

23 1. Physician's practice is limited in that she shall not practice clinical medicine or any  
24 medicine involving direct patient care and is prohibited from prescribing any form of treatment  
25 including prescription medications in Arizona until applying for and receiving Board approval. The

1 Board may require any combination of Staff approved assessments, evaluations, treatments,  
2 examinations or interview it finds necessary to assist it in determining Physician's ability to safely  
3 return to the active practice of medicine.

4 2. The Board retains jurisdiction and may initiate an action based on any violation of  
5 this Consent Agreement.
