

1 regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or  
2 any other state or federal court.

3 5. Respondent acknowledges and agrees that, although the Consent  
4 Agreement has not yet been accepted by the Board and issued by the Executive Director,  
5 upon signing this agreement, and returning this document (or a copy thereof) to the  
6 Board's Executive Director, Respondent may not revoke the acceptance of the Consent  
7 Agreement. Respondent may not make any modifications to the document. Any  
8 modifications to this original document are ineffective and void unless mutually approved  
9 by the parties.

10 6. Respondent further understands that this Consent Agreement, once  
11 approved and signed, is a public record that may be publicly disseminated as a formal  
12 action of the Board and will be reported to the National Practitioner Data Bank and to the  
13 Arizona Medical Board's website.

14 7. If any part of the Consent Agreement is later declared void or otherwise  
15 unenforceable, the remainder of the Consent Agreement in its entirety shall remain in force  
16 and effect.

7 regarding Respondent's methods for attempting to collect unpaid medical bills as well as  
8 his care and treatment of the complainant's child ("Child").

9 4. A medical consultant review of this case determined that Respondent's care  
10 and treatment of Child was appropriate.

11 5. During an investigational interview with Board staff and the Board's  
12 contracted addiction medicine specialist ("Addiction Specialist") Respondent admitted to  
13 self prescribing Dexedrine, an amphetamine, 5 mg, from his own office supply for use on  
14 long trips in order to stay alert while driving. Respondent also admitting to have used the  
15 drug since early on in his career.

16 6. Respondent admitted to obtaining prescriptions for Dexedrine, Tylenol #3  
17 with Codeine and Zoloft by writing prescriptions for friends and relatives to fill on his  
18 behalf. Respondent did not perform physical examinations on the friends or relatives for  
19 whom he prescribed medications on his behalf.

20 7. Respondent also admitted to prescribing Tylenol #3 with Codeine and  
21 treating his son for his son's migraine headaches.

22 8. Addiction Specialist did not find that Respondent had a substance abuse  
23 problem, but rather, exhibited poor judgment on occasion.
