

Arizona Medical Board Pre-Approved Category 1 CME

Medical Ethics and Professional Boundaries

Organization / Location	CME Hours	Course Name / Description	Cost
Case Western Reserve University/ Intensive Series of Courses Cleveland, Ohio (800) 274-8263 http://casemed.case.edu/cme/activities/intensive_series.cfm	17	<u>Medical Ethics, Boundaries and Professionalism (ME-22)</u> An intensive 22-hour CME based training for physicians and other health professionals. Approved by the California Medical Board and acceptable to most other boards. We start with the premise that everyone has a "violation potential." During this course you will explore your own risk factors, vulnerabilities, accountability and resistance to face your violation potential. Only in this way can you better protect yourself and others. You will develop a personal ethics protection plan.	\$1875
PBI Education Locations in major cities nationwide 904-800-1237 https://professionalboundaries.com/	24-46	<u>Professional Boundaries and Ethics</u> Intensive and rigorous, this interactive 3-day course helps participants confront and examine the features of their practices and lives that caused them to go astray: the how, the when, and the why. Participants discuss the professional ethical expectations and obligations they violated. Each participant creates a Personalized Protection Plan they can abide by and update over time to avoid recidivism. Most suitable for sexual boundary violations, dual relationships, practicing outside scope, inappropriate prescribing, addictions, and disruptive behavior. Optional pre-course and post-course components expand this program up to 46 CE credits. NOTE: Optional longitudinal follow-up component available	\$2,250
PBI Education Locations in major cities nationwide 904-800-1237 https://professionalboundaries.com/	22	<u>Medical Ethics and Professionalism</u> During this rigorous, interactive 2-day course, participants explore their own risk factors and vulnerabilities to going astray, resistance to recognizing their unprofessional conduct, and lack of accountability measures. This is preceded by pre-course readings and written assignments, and then presented in the context of foundational professional ethics. Each participant creates a Personalized Protection Plan they can abide by and update over time to avoid recidivism. Most suitable for misrepresentation, falsification, financial improprieties, HIPAA or confidentiality violations, practicing on an expired license, and breaking laws.	\$1875

		NOTE: Optional longitudinal follow-up component available	
PBI Education Locations in major cities nationwide 904-800-1237 https://professionalboundaries.com/	15	<u>Medical Ethics and Professionalism</u> This in-depth, interactive 1-day course is preceded by readings and written assignments. In the seminar, these materials are discussed and contribute to participant examinations of their infractions in the context of state statutes, regulations, and professional expectations. Other content covers moral authority, ethical decision-making, and harms caused by professionals' offenses. Each participant creates a Personalized Protection Plan they can abide by and update over time to avoid recidivism. This course is suitable for remediation of relatively minor infractions as well as education for professionals returning to practice. NOTE: Optional longitudinal follow-up component available	\$1295
Vanderbilt University Medical Center Nashville, Tennessee 615.322.4030 http://www.mc.vanderbilt.edu/root/vumc.php?site=cph&doc=36613	23.25	<u>Maintaining Proper Boundaries</u> Maintaining Proper Boundaries emphasizes understanding of general and sexual boundary issues. Typical boundary violations include inappropriate comments or jokes, sexual relationship with patients and inappropriate business relationships with patients. This is not a course for physicians with an active sexual addiction.	\$2500

Medical Recordkeeping - Documentation

Organization/Location	CME Hours	Course Name	Cost
<p>University of California PACE Program San Diego, California (619) 543-6770 http://www.paceprogram.ucsd.edu/record.aspx</p>	17	<p><u>Medical Record Keeping Course</u> An intensive two-day CPD/CME program designed to help the physician improve charting behavior and documentation in the medical record. This program uses hands-on, interactive, personalized and didactic instruction.</p>	\$1575
<p>Case Western Reserve University/ Intensive Series of Courses (216) 983-1239 and (800) 274-8263 http://casemed.case.edu/cme/activities/intensive_series.cfm</p>	15.25	<p><u>Intensive Course in Medical Documentation: Clinical, Legal, and Economic Implications for Healthcare Providers</u> Medical education notoriously gives inadequate attention to teaching physicians how to properly document the patient encounter. Current challenges in maintaining accurate and complete patient records include the conversion to electronic medical records, ever-changing regulatory and billing guidelines, and legal constraints. This course aims to give providers the knowledge base and skills to generate compliant, risk-reducing, and reimbursable documentation.</p>	\$1200
<p>PBI Education Locations in major cities nationwide 904-800-1237 https://professionalboundaries.com/</p>	17-30	<p><u>PBI Medical Record Keeping Course</u> This intensive 2-day course is designed for clinicians who have the need or desire to improve their record keeping. Topics covered include legal and clinical rationale for documentation standards, electronic communication with patients, confidentiality, informed consent, patient education, special issues regarding the treatment of chronic pain, coding and billing, and the release of records. Prior to the course, participants critique a set of provided records that are then discussed in the seminar.</p> <p>This course is particularly effective for clinicians who have been found deficient in medical documentation either by employers or regulators.</p> <p>NOTE: Optional longitudinal follow-up component available</p>	\$1,350
