

Frequently Asked Questions Regarding Continuing Medical Education (CME)

The Arizona Medical Board has been asked if there have been any changes to the CME requirements as a result of the COVID-19 pandemic.

There has been no change to the CME requirements as the rule, R4-16-102, requires the 40 hours of CME be completed during the two calendar years preceding biennial registration (license renewal). For licenses due to expire between March 1, 2020 and September 1, 2020 the period to renew has been extended by six months from the expiration date.
